Weekly Assignments

- **Bring your camera to class –bring the instruction manual if you have it.**
- **Take some pictures during the week.**
- **E-mail me your pics (at least 1, max of 3) the Sunday before class before 9:00 PM.**
- **Please remember this is a “G” rated class. Don’t send any pictures you would not want to show the other students, your kids or your parents.**
- **If you can’t e-mail them, bring them on a memory card, or Pocket Drive. Give them to me before class or during the break so I can load them on my laptop.**
- **Feel free to e-mail me with questions or problems. I’ll try to get back to you (but no promises). If you do e-mail me put Wallingford Photo Class in the Subject Line.**

Resources

- **I have several useful and informative links that I can share with you. Go to my BLOG:**

www.RDG-Photography.com

- **The blog is completely free and has a lot of web links, resources, techniques and several topics posted that we will be covering in class. It is optional and purely for your own enjoyment.**
- **Copies of the slides used in class will be posted on the Blog shortly after each class. Also they will be useful if you miss a class.**
